national rural health  
student network

the future of rural health

# National Rural Health Student Network

- Provides a voice for students interested in improving health outcomes for rural and remote Australians
- Promotes rural health careers to students, with the aim of addressing the workforce shortage in rural Australia

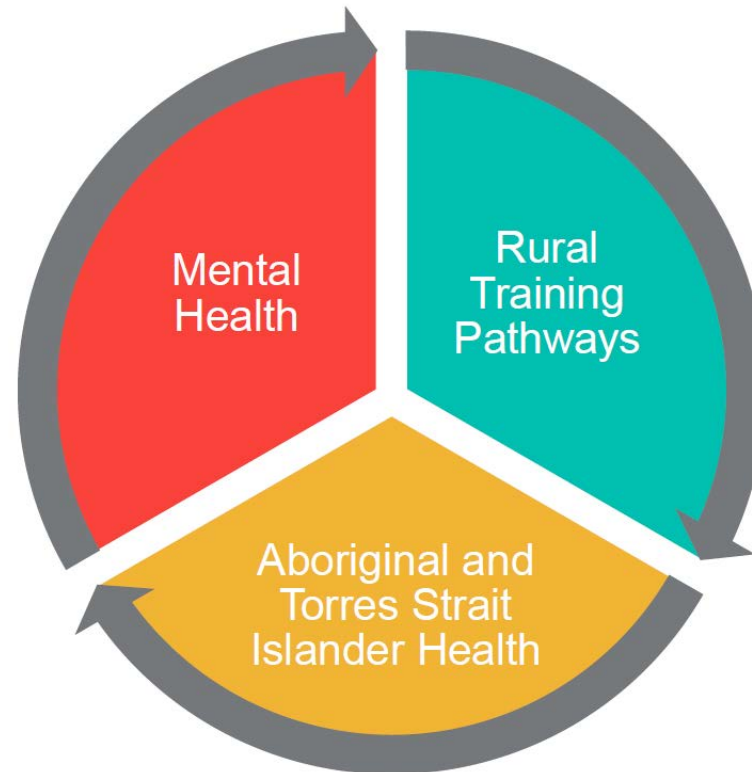

# nrhsn rural health clubs

## National Priority Areas 2018

## Multi Disciplinary

- Only multi-disciplinary student health network
- Committed to representing all health students
- Mental health

# Indigenous students

- Committed to encouraging Indigenous students
- Priority area
- Projects for this year

## New Funding – some feedback from our clubs

- What has changed
- Feedback is positive
  - New arrangement comparable to former
  - Clubs are functioning well
  - Clubs feel supported
  - Most feel they have enough autonomy

## How can we continue improving?

- Finances
  - Autonomy
  - Continuity
  - Access
- Support
- Transparency
