

# Deakin University

FRAME presentation

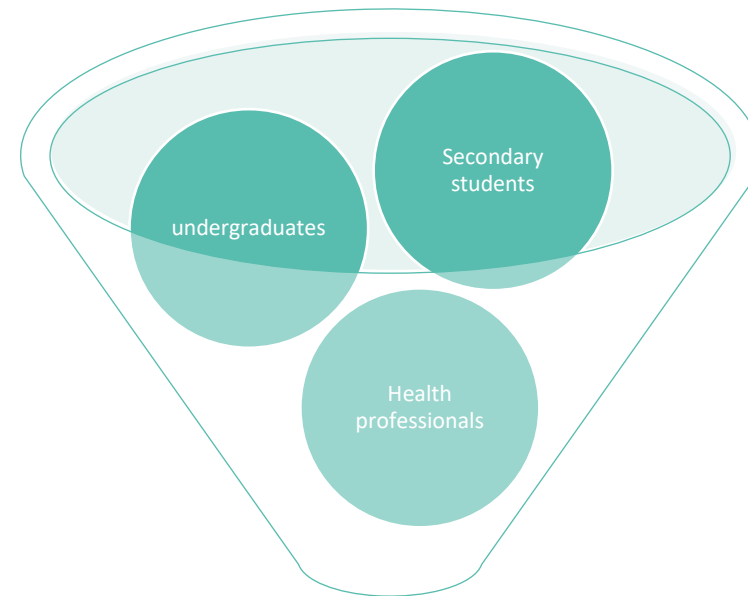

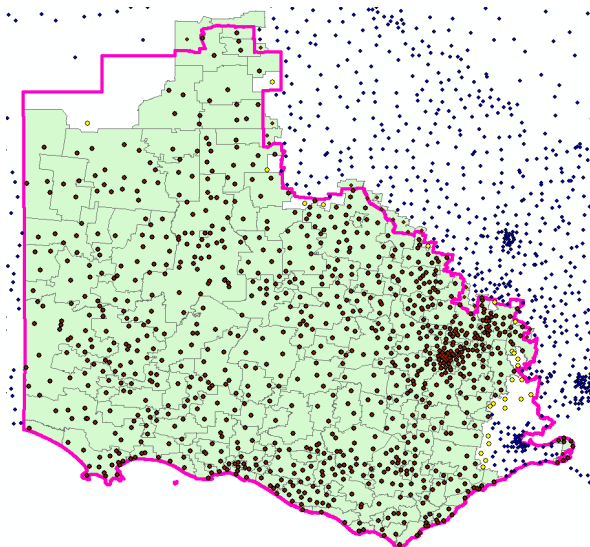

May 2023

A/Prof Lara Fuller, Director of Rural  
Medical Education

Dr. Brendan Condon, Western Victoria  
Regional Training Hub

# Selecting the right students – enablers – TARGETED RECRUITMENT

- Defining our rural footprint ‘Tier 1’
- Tiered priority entry system to Rural Training Stream (30 places) since 2021
- Removal of GAMSAT and 10 year rule from RTS Tier 1 2023 admission
- On country year 1-4 delivery in region of origin

MD

Rural Health Pathways program – focus on local student recruitment and individual support

# Getting the right junior doctors – barriers and enablers

## Western Victoria Regional Training Hub

- Enablers
  - Regional training pathways - end to end training
    - Rural origin trainees
  - Trainee support
    - Mentors
    - Educational opportunities
- Barriers
  - Insufficient graduates with rural intent
  - Poor quality training posts
  - Components of training requiring collaboration with metro sites

**End to end regional training  
for rural origin trainees**
